

Assignment 3

Due: March 17, 2017

If you have any questions about the assignment email class@maritimelabs.ca

Question 1:

Write 100 to 200 words about a process that you have in your daily life. Try to write at least 5 sentences and put it all in one paragraph. Some examples could include:

- How to make a meal.
- How you get to work or school.
- What you do in the morning before work or school.
- How to make something.

Question 2:

Write at least 10 full sentences for the Scratch game we made for assignments 1 and 2:

Remember to use the language you learned from describing process.

- Imperatives
- Passive voice
- Zero conditional
- Sequencer words

The Game:

- You have two sprites
- One sprite moves with arrow keys
- The other sprite moves with AWS D
- You have a third sprite which gets eaten by the two sprites
- There is a scoring mechanism to calculate the score
- The backdrop changes and the sprites hide when the score reaches 3

Make sure you write complete sentences and explain in detail.

Your submission should be on Google Drive in a new document named Assignment3.
